Bob's MiniMax 1000X Glider Build

Bob's progress to date. Looking great. Great colors for a glider!

**Joe's Aeronaut Triple RES**

Progress is being made even with the mistakes I made. The wing sections are now built and the forming and sanding has started. Hopefully it will fly in spite of the mistakes.

FCAM Meeting – Feb 26

Jeff opened the meeting at 7:04 pm with 5 members present.

Secretary's report of the last meeting as published in the newsletter was approved.

Treasurer's report was approved with corrections.

Old Business: None

New Business:

Joe mentioned the possibility the OHTM model show taking place in April and the club will participate. There was some discussion about changing the name of our flying field to honor Bob Hines, a long time dedicated member.

A motion to change the name to Bob Hines Memorial Field was passed. Jim will check on signage for the field. There was some discussion about having hats and t-shirts available at the OHTM for sale but it was decided to make an order only if there was interest

A motion to adjourn was made and passed.

Respectively Submitted: Joe Gilbert, Secretary.
