Lily Pond

Lily pond was a blast today. Little cool and breezy to start but as the day progressed it turned out fantastic. Good turn out. No crashes. We blabbed a bunch. Flew a bunch. then had lunch. It was a great day. Chance for 1 more in October. Many thanks to Joe and everyone else that sent the pics in.

Bob Chapman

I had such a great time Flying with everyone yesterday. My first time at Lily Pond. Joe. Awesome pictures. Like to think Wayne and Bob for cooking the hot dogs and naturally Joe's onions. Wanna thank Bob for having the privilege to fly his 170. What an awesome float plane..

Eric G.

Great day at the pond! Super flying. Breezy at times but that didn't stop the flying. Very nice turnout on a fall day. Bit cool at first. Day started in the 40s. Great lunch cooked by Wayne & Bob. Extras brought by Bob Gifford and wife. Bob C and I took these photos. Others will send me photos to add and I will send an update when that is done. Kevin will add to the album also.

Joe

RC Expo & Swap Meet

FCAM participated in the event held in Winslow at the VFW facility. Unfortunately, the weather didn't cooperate and it rained much of the time. Our display table was inside so it didn't affect that but those with

items to sell were out in the weather. Most of the indoor traffic attended because of the vendors with RC cars and trucks. Quite a large bunch of such RC vehicles with an obstacle course set up by one vendor.

There were raffles during the day for helicopters provided by sponsor Razordon. I believe Bob was one of the winners!

Food was available from the VFW with a nice variety and I managed to purchase several tasty items!

It was nice to see our District I VP traveled up for the day and had a nice AMA display with flight simulators and other information.

Eric spend some time talking with these AMA officials

Franklin County Aircraft Modelers

FCAM Meeting – Oct 1 – 6:42PM

Sept Meeting was postponed to Oct 1 Indoor Session

Meeting opened by VP Jim Towle with 6 members present.

Last Secretary's report was approved as printed in the newsletter.

Treasurer's report was approved as read.

Old Business:

A discussion regarding the RC Expo noted the AMA District I VP traveled from RI to participate. It was a pleasure to see AMA officers and several members spent time talking with them.

New Business:

Noted we have the last Lily Pond event on Oct 10. Bob, Wayne, Jim, Eric and Joe plan to attend. Wayne will bring his kayak. We need someone to provide the hot dogs, etc.

Jim noted the field has been mowed most likely for the last time this season.

Also noted the shed and picnic table roofs both need work next season. Eric mentioned he might have a material that can be used.

Jim mentioned the mowers will need new blades and possibly batteries next season.

All officers are willing to serve another year if elected.

Meeting adjourned at 7:02 pm

Respectively Submitted,

Joe Gilbert, Secretary.
